The Barclay Community Pavilion

The Barclay Community Pavilion is a great value community space or meeting/training venue with tables and seating layouts for up to 20 delegates, equipped with a presentation screen and free wifi.

The Barclay Community Pavilion which can be booked by the hour is fully assessable on one floor with full access to the catering facilities and limited parking on site.

The Barclay Community Pavilion supports the 11-a-side football pitch with home and away team changing rooms plus a referee's room, all changing rooms are equipped with adjoining toilets and showers.

Barclay Community Pavilion Hire = **£14.00 per hour.**

The Barclay Pitch

The Barclay Pitch is a full-sized grass pitch, maintained and marked for 11-a-side football but it is not only intended for use for football and may be hired for multiple sports or activities.

Only if your activity takes place within the pitch area a booking is required, areas out with the marked pitch area are free to use.

For an organised a 90-minute match, the pavilion and pitch should be booked together for 3-hour period to enable facility users sufficient time for entry to the pavilion and clearing the pavilion after the completion of a match.

Barclay Pitch Hire = **£16.00 per hour.**

Hire Rate Concession

Peterhead Area Community Trust (PACT) was constituted to provide community facilities that encourage community participation and inclusion. A concessionary discount on hire rates is available for charity and voluntary organisations, not for profit playing sports clubs, Quality mark accredited clubs or schools where the purpose of hire meets the charitable aims and objectives of PACT.

If you consider your organisation or group meets the charitable aims and objectives of PACT, request an application form via info@PeterheadPACT.co.uk

Agreement to a concession application is at the discretion of the PACT trustees; allow 7 days for any concession application to be processed.

The concessionary code can only be applied during the online booking process and cannot be applied retrospectively.
